OPIS

KRT4 is a cable retractor designed for installing in a meeting room, classroom or other AV site. KRT4 extends a variety of common AV connector types and is easy to install and use.

- Provides Convenient and Easy to Use Connecting Pull the cable to extend up to 1.8m (5.9ft) from the installation site; the cable automatically locks in position to the desired length. When finished, pull the cable again and it retracts into the housing.
- Improved Design Gentle retraction feature extends the life of the cable and connector.
- Simple and Flexible Installation Options Install in compatible Kramer TBUS models or attach directly to the underside of a table with a few screws.
- Connector: HDMI.
